## Renold SD

### The new “Standard” in the economy category of chain

If you are looking for a good quality product from a reliable supplier for “standard duty” chain applications, look to **RENOLD SD**, the new benchmark in the economy chain category.

Renold is recognized as the worldwide leader in chain products and has established manufacturing facilities across the globe. While most suppliers buy-in their economy line of chain, Renold manufactures its own.

#### The Renold SD range offers:

- An extensive product line of European (BS), ANSI and DIN standard chains
- Competitive prices and delivery
- Consistent quality
- Depth of inventory
